
BEACH UNITED COMMUNITY CHURCH

The Beach United Community Church celebrated 100 years, June 2005. In 1975, the Congregational UCC Church and the Methodist Church of Beach, N. D. merged, and became the United Community Church.

Due to the decline in Population in our area, we only have 30 - 40 members and friends attending regularly. We Serve the community in many ways, such as the food

Bank, giving to local charities, and giving spiritual help and Encouragement to one another and others in the community. We have a devoted caring congregation.

We serve a Continental breakfast each Sunday after our 8 A. M. service. This has been such a wonderful blessing To our people, we can discuss our problems and concerns With each other.

We are served by Pastor Warren Maxted, who is the Pastor Of the Wibaux, Mt. Assembly of God Church. We Appreciate his Bible centered messages and his concern For our members.
