All the many activities that make up our church life are dedicated to the mission: "To live the Good News of Jesus Christ in word and deed because we are a part of the Realm of God." At First Church, ministry is fun, and we laugh frequently -- even in worship! All kinds of people are welcome to join us in this joyful journey of walking with Christ. We work collaboratively with our neighboring UCC congregations, and we look for opportunities to build both ecumenical and interfaith bridges with other communities of faith in Fargo-Moorhead. We offer ourselves as agents of God's peace and justice, and we trust that God will empower us to be a transforming presence in this place.
