
HANKINSON EMMANUEL UNITED CHURCH OF CHRIST

Our Congregation, and our overall ministry, has grown and prospered over this last year. Our Sunday morning worship service attendances have noticeably increased in attendance, as has our midweek Youth Christian Education programs. For example: our 2005 Christmas Eve Candlelight Service attracted 81 worshipers, while this past 2006 service had over 180 in attendance. Multiple new members and baptisms have been the norm, rather than the exception in 2006!
~Praise The Lord~

Our Special Events and fund-raising activities have seen dramatic successes in 2006. (example: our 'Jerry Noerenberg Benefit Dinner' in May resulted in over \$10,000 for his family's medical needs. ~Bless God~) Thank You for all your selfless labors and faithful support!

Special Projects have been accomplished, such as the creation of our Prayer Lounge next to the Sanctuary, and the installation of our new Geo-Thermal heating air conditioning system. ~Praise God From Whom All Blessings Flow~
