# PLYMOUTH CONGREGATIONAL UCC

On an average night in the Fargo-Moorhead area 400 people are without a roof over their heads. Almost all communities face this problem, but unfortunately many people pretend the problem doesn't exist. The people of Plymouth Church have chosen to respond to Jesus command to care for "one of the least of these who are members of my family (Matthew 25:40). This spring adults and youth from Plymouth Church came together as part of a 30 Hour Famine to work and fund the ministry of Churches United for the Homeless. They raised over \$3,000 to fight hunger and homelessness here in Fargo and around the globe.

God is calling Plymouth people to continue the work that Christ has given them. This spring a new "sandwich ministry" has started to prepare food for our homeless neighbors, and relying on the Still Speaking God to lead them Plymouth Church in Fargo continues to be salt and light in a world that needs it.
