

United Church of Christ Insurance Board

The Insurance Board (IB) is a non-profit corporation owned by the 38 Conferences of the United Church of Christ. It is literally our insurance facility. The IB administers a property and liability Insurance program serving churches of the UCC, Disciples of Christ, and Presbyterian Church USA. It has served the needs of participating denominations now for 25 years, and has weathered the test of time.

The IB only uses Insurance companies with the very high insurance company financial ratings. It only utilizes carriers with AM Best ratings of A (Class XV) which are nearly the highest available. What this means to policyholders is there are billions of dollars in state-regulated reserves to pay claims.

Premiums are competitive and coupled with unequalled coverage and demonstrated superior claim service make the IB program one all conference members should seriously consider at the next opportunity.
