

## **U.S. and International: CWS School, Baby Care and Cleanup Kits Urgently Needed**

Thanks to the great efforts of CWS communions, Church World Service has a good stock of CWS Hygiene Kits. But the stock of CWS School Kits, Baby Care Kits and Emergency

Cleanup Buckets is very low. More materials are needed to respond to pending requests and be ready for future emergencies. Information on various kits that may be compiled and donated to CWS may be found at <http://www.cwsglobal.org/get-involved/kits>.

CWS Kits are small packages of supplies assembled by volunteers and shipped to people in need around the world. The contents of each kit have been selected with care based on years of experience to make them as useful as possible, wherever and whenever they are sent. Kits may be sent to CWS all year. Each kit page provides a list of items to include, along with packing and shipping information to our collection centers in New Windsor, Md. and Little Rock, Ark. Some states have drop-off points at various times as well. Cash donations in lieu of assembled kits also help us to provide much-needed supplies.

Thank you for giving from the heart! Your continuing support of this program is very important and helps to ensure CWS Kits are available for immediate response

after a disaster. If you have any questions, read our FAQs, or call your CWS Regional Office toll-free at 888-297-2767.
