

The “E Messenger”

Notes and Comments by Wade 082809

This Sunday we hold in prayer the First Congregational United Church of Christ of Garrison. We pray that God’s divine grace bless this historic congregation and its pastor, Stephen Holmes, as together they seek to be a community of hope for all that would come through their doors. May God’s renewing grace continue to be with them.

Last Sunday it was my great pleasure to lead worship with the members and guests of the Union Congregational United Church of Christ of Medora. It was a joy to join with the regular members and the guests as together we celebrated the abiding grace and love of God.

The Annual Women’s retreat will soon be held at the Abby in Richardton. All the women of the conference are invited to be a part of this exciting and meaningful gathering. All things are at the ready including the mission project and the speaker. Please go to the NPCUCC web site www.npcucc.org and go to fliers or forms and you will find an informational flier and a registration form. Register soon for the September 25 – 27 event.

Let us hold in prayer the family and friends of Rev. Herbert Zimmerman. Rev. Zimmerman served congregations in Jamestown, Mott and Wishek. A memorial service for Rev. Zimmerman will be held at Bismarck UCC at 1:30 pm on Sunday, August 30th.

Our prayers are with Janis Olson as she mourns the passing of her mother. We hold Janis and Gaylund (pastor of St. John Church of Hebron); in our prayers asking for God’s comforting and abiding presence to be with them and their family at this time.

Our best wishes are with the members of the First Congregational United Church of Christ of Glen Ullin as they celebrate their 125th Anniversary. We pray that God’s grace be with the members of this historic congregation and their pastor, Marcy Dawson as they continue down the path of their second century of service in Jesus’ name.
