On this third Sunday after Pentecost we lift in prayer St. John Church of Hebron. We give thanks for their long history of dedication in the name of our Redeemer, Jesus the Christ and we pray that God’s gracious presence would continue to guide the members of this Western North Dakota Congregation and their recently called pastor, Gaylund Olson.

Last Sunday it was my pleasure to join in worship with the members of the United Church of Christ of New Town. I want to thank them for the warm reception and for the joy of sharing with them in praise and celebration. May God’s grace be with the members of this congregation as they anticipate the arrival of their pastor.

Let us prepare to gather for the 45th Annual Meeting of the Northern Plains Conference. I am looking forward to being with each of you in Hankinson as we celebrate the Spirit of the Living Christ present among us. If you are planning on attending the Annual Meeting but have not yet registered please do so as quickly as possible.

August 22 & 23 there will be a pastor’s workshop in Medina lead by Charlene J. Smith. The title of the workshop is “God is Still Speak, Do Not Be Afraid”. Pastors and lay leaders are invited to share in this special time. The cost of the program and meals will be covered by the Conference and lodging and transportation will be the responsibility of the participants. Please let the Conference Office know of your intentions to attend so that we can be prepared.
