Dear NPC Friends:

It is that time of the year again when year book forms need to be filled out. I can only assume that you respond to the idea of filling out another form much the same way that I did when I had the privilege of serving a congregation. The fact remains that these forms are vital for the covenant between the Local Congregation, Conference and National Church to be strong. These forms provide the necessary information that is so important if the church is to answer the call of our Redeemer in the fullest possible manner.

This year congregations have the option of filling out and sending in the forms on line. You have been sent a set of forms on line and can fill them out, via your computer, and send them back to the Northern Plains Conference, secretary@npcucc.org, print them off and send them back to the Conference Office via US Mail, or you can contact the Conference Office and a set of paper forms will be mailed out to you that you can then fill out and send back to the Conference Office via US Mail. If you are filling out the forms on line please have them back to the NPC Conference office by March 9th and if you are filling them out in paper form please have them mailed back to the Conference Office by February 21.

You are invited to fill out these vital forms in whichever way are the most convenient for you. Please fill them out and return them to the Conference Office that we might copy them and forward them to the National Church.

Thank you in advance for carrying out your vital part in this important task.

Namaste
