

LOCAL CHURCH INFORMATION FORMS FOR 2010/2011

+++++

Dear Friends,

We have changed the Yearbook process again this year. We are in the process of having a new database developed for our use as well as yours! We expect this to provide us with exciting possibilities in the coming months (and years).

All the annual Yearbook reporting forms, with the exception of your Local Church Report (Form G) will be available for download at www.ucc.org/research on January 5th. (Please make a note on your calendar.) Click on the link for Yearbook forms and all the forms and instructions will be posted. Your conference will also have these files if you should need them.

Simply download a copy of each form and you can complete it on your computer. You will need to have Adobe Acrobat Reader in order to do this. If you do not have this program it can be downloaded for free at <http://get.adobe.com/reader/>. Follow the instructions provided on this website to download and install.

The Local Church Report (Form G) has been printed and your conference has likely mailed this to you.

We are again offering an online system for you to submit this information. Your conference must decide to participate in this system. If they have opted-in you will receive further information from them regarding this.

Please adhere to the deadlines your conference has established and communicated to you. It is important for us to meet our deadlines in order to meet the publication date. Without your help the Yearbook would not be a useful tool. Please be aware that the data you provide may not be included in the 2011 Yearbook if you miss your conference's deadline. We do our best to include all data we receive, but after the deadline there is no guarantee we can include data.

If you should have questions or comments regarding the Yearbook process we ask that you communicate them with your conference or association. They will in turn communicate with us if they are unable to answer. We'd love to be able to communicate directly with all of you in the churches; however, this is not feasible if we are to complete the Yearbook in a timely manner.

Again, thank you for your cooperation in filing Yearbook forms.

The following forms are available to download at www.ucc.org/research:

1. **FORM E**, Report of Church Officers for 2010/2010
2. **FORM F**, Ministerial Support Form 2010

Please read the following instructions before you prepare your reports. They are intended to assist you in completing your congregation's forms.

If at any time you have questions or need clarification on items, you may contact your Conference or Association Office. Please contact the Research Office in Cleveland only as a last resort.

Thank you in advance for your help in this important effort. By completing these forms, you enable the United Church of Christ to maintain accurate and current information on UCC churches and ministerial staff, as well as provide information that will assist Conferences, Associations and the national ministries of the denomination to identify and understand trends in membership, attendance and other factors that will impact programs and policies.

Form E and Form F can be completed in one of two ways. You must download the form from www.ucc.org/research unless your conference has mailed you a printed copy. After you have located the appropriate form online you will be able to either click the Print button and print a blank copy to complete by hand. Or you can fill out the form on your computer then click the Print button and send the completed form back to your conference or association. If you need a copy of this for your records please print 2 copies.

1. INSTRUCTIONS FOR **FORM E**, Report of Church Officers for 2010/2011

Position/Title: Please complete information about all categories of officers in your congregation. If there are official positions in your congregation that are not listed on Form E, there is room to enter them as "Other" on the bottom of the Form. You may also use the "Other" category space to indicate the names of co-chairs of committees. If you do so, please indicate on the "Other" category space the committee the person co-chairs.

Term of Office: Please indicate the month and year when each term of office begins and will end (i.e., 6/2010,12/2011, etc.). If your officers are elected as of the first of the year, please enter your incoming officers, not those who held the positions in the past year.

IF YOUR CONFERENCE HAS ELECTED TO ONLY RECEIVE DATA ELECTRONICALLY YOU MAY NOT RECEIVE A PRINTED COPY OF YOUR LOCAL CHURCH REPORT. YOU MAY INSTEAD RECEIVE INSTRUCTIONS TO COMPLETE THE FORM ONLINE.

If a report was submitted for your church last year the data provided appears on this printed report for key data. This data is in bold print just to the left of the blank for your 2010 data. Please note, this is just for your convenience and is not meant to be updated. The last year for which a report was received for your church is also reported on the form.
